President: Terry Burke called the Capital City Corvette Club Board Meeting to order at 6:30 pm at the Delhi Café in Holt. He reports he currently has no updates. He shared that he and Chris will be out of state for a period of time during May.

Secretary: Katherine Twining forwarded the March 20, 2013 board meeting minutes to the board for review. MOTION was made by Dave Pursel and SUPPORTED by Simon Reiffer to approve the minutes as presented. MOTION PASSED.

Treasurer: Mike Britz was not in attendance, but had provided a copy of the check register for the board. Question was raised regarding the State of Michigan license fee that indicated the fees were paid for 2010 and 2012, and if the dates were accurate on the report.

Governor/VP: Simon Reiffer reports that a regional meeting is scheduled for Tuesday, April 23, at La Senorita. Also, this upcoming weekend, he will be attending a National Governor's meeting in St Louis, Missouri.

Points: Howard Hein will update the point records with the recent Capital City/Jackson bowling challenge information he just received.

Membership: Dave Pursel reports 54 FCOA Michigan members and CCCC currently has 101 members. He also shared that he is willing to assist with transporting the CCCC trailer to future events.

Editor: Gloria Reiffer reminded those in attendance of the April 23 due date for submitting reports for the newsletter.

Competition: Howard Parks gave an update on the upcoming low speed event at Spartan Speedway. The \$200 deposit has been paid the necessary insurance coverage has been processed. He needs to clarify when the fees are actually due and payable to Spartan; before or after the event, as he has

heard both. Howard needs to work with the technical people to clarify duties. The club is responsible for cleaning the area before departure.

Donations/Sponsorships are coming in and are really appreciated.

Social: Janet Litrenta reports that approximately 55 were in attendance for dinner at the Capital City/Jackson bowling challenge held on Sunday, and that Lansing came out on top. She had a list of trivia questions for the event. A photo shoot is scheduled at the Capitol on either June 2 or 9, depending on the weather. Plans are in the works for a social gathering following the photo shoot. Also suggested was the possibility of gathering at Tripper's on Tuesday evenings. Discussion followed regarding the annual Christmas party and if it should/could be changed to a weekend day. Consensus was that, during that the busy holiday season, a weekday was still probably the best choice. Janet is checking on locations for the event.

Appointee Reports:

Hearts and Flowers: Julie Lasher was not in attendance.

Historian: Sue Keith was not in attendance.

NCM Ambassador: Joe Thomas was not in attendance.

Photographer: Ted Lasher was not in attendance.

Quartermaster: Randy Putmon was not in attendance.

Sergeant at Arms: Robert Ribar was not in attendance.

Webmaster: Gloria Reiffer continues to have issues with the site, as the program is not working well.

Adjourn: MOTION was made by Dave Pursel and SUPPORTED by Simon Reiffer to adjourn the meeting at 7:43 pm. MOTION PASSED.

Respectfully submitted,

Jackson Cruise-Ins: May 24 ~ June 28 ~ July 26 ~ August 23 ~ September 27

Cruise-In Downtown Jackson the 4th Friday of the month, May through September, and show your stuff! As one of the most anticipated and attended events in Jackson, the Cruise-In attracts hundreds of classic cars, antiques, street rods, and more, to the Downtown streets. Live entertainment, photo booth, radio broadcasts, and a vendor area with food and merchandise will also fill the Downtown. A "Best in Show" winner will be chosen at each Cruise-In and all cruisers can register their vehicles and win Downtown Jackson Gift Certificates! In addition to the cars and entertainment on the street, many Downtown restaurants feature entertainment while merchants offer sales and specials in their stores.

New for 2013: Larger Raffles - New Prizes - More Trophies

Changes for 2013 include a \$5 registration fee per Cruise-In or all 5 for \$20. Owners who bring multiple cars (i.e. his and hers) will only be charged once. The fee will be used to raffle more and larger prizes, increase trophy categories, and help offset the cost of the event.

Additionally, the Jackson DDA and the City of Jackson, in an effort to create a safe environment for all, requests that vehicles do not begin to park before 5:00pm, refrain from parking in front of fire hydrants, alley ways, and parking lot entrances, along intersections, and on sidewalks.

Parking in the middle of Jackson St. is allowable after 5:30pm.

The Jackson DDA recognizes that your vehicle is an attraction and truly worthy of being shown off. With your cooperation and understanding we hope that we can continue to hold a great event. Your cars and our streets equals 5 hot nights of fun in Downtown Jackson.

Attention Vietnam Veterans

There is a Corvette owner / Vietnam Veteran in Lexington, N. C. that developed a Vietnam Veteran / Corvette sew on Patch. He provides this patch to Vietnam Veterans FREE of charge and he does not ask for compensation.

After reviewing this patch, I thought how nice it would be if Vietnam Veterans could display this on their Corvettes showing their service to this country. I discussed and received permission from him that I could have static clings made in honor and memory of our Vietnam Veterans. These static clings are 3" round and go inside of your car window. I have attached a photo of the static cling.

Should any of your club Vietnam Veterans like any static clings, please have them send me a self-addressed, postage paid envelope and I will be glad to provide them. Please provide a note letting me know how many static clings they would like.

Should any of your club Vietnam Veterans like sew on patches they would need to e-mail Charles at Charlie@carols62.com to inquire about receiving the patches.

THEY BOTH ARE FREE

2013 NCCC Convention Update

So what are your vacation plans for 2013? The National Council of Corvette Clubs has planned for the last week of June, the 25th through the 29th, to give you an opportunity to meet with several of your Council friends in Bowling Green, Kentucky. Along with being a scenic section of the country, this area offers a lot of historical places to visit, great places to shop, parties and entertainment along with the chance to compete if you so desire.

This will be the second time that Council has held the National Convention in Bowling Green. Our host hotel is the University Plaza Holiday. It is the only full service hotel in the area so you would never have to leave if you so choose. There is a variety of fine restaurants within walking distance of the hotel and you are an hour's drive from Nashville's country glamour and scenery.

There will be bus tours available to Nashville, one will be a guided tour featuring the highlights of downtown Nashville, admission to the Ryman Auditorium, the Country Music Hall of Fame, The Hermitage and lunch at Two Twenty Two Grill. Other tours will include self-guided tours of downtown Nashville, Gaylord Opryland Hotel, Opry Mills Outlets and the famous "Nash Trash" tour. Bus tours are scheduled for Mammoth Cave which will include a walking visit to one of the world's largest caves, a Bourbon Country tour that will include stops at Makers Mark and the Buffalo Trace distilleries and the National Corvette Museum are just minutes away from the Hotel. Monday night we will have the Competitors Award Dinner, Friday will have the Convention Awards Breakfast and the National Awards Dinners and Corvette Raffle on Friday evening.

There will be the usual competitive events including the cars shows, funkhana, rallies and the drag events at the NHRS sanctioned Beech Bend Drag Strip. The low and high speed events will take place at the Nashville Fairgrounds. There will be a party in Lost River Cave on Tuesday night, a Sock Hop on Wednesday night and Game Night on Thursday which will include the now famous Valve Cover Challenge. We are working with the hotel to see that we have a smooth check in and that there is plenty of parking for all those at the Holiday Inn with golf carts to get your luggage from your trailers to the hotel lobby. The Crosswinds Golf Course will be the site of the Golf Outing, the course is next door to the hotel if you want to get in a round or two during the week. We hope that when you go home you will take memories that will last a life time of the fun and good times you had on this vacation.

As in past the room reservations will be handled by the Convention Treasurer as you register for Convention. When the Holiday Inn fills we have limited commitments from the Marriott and Hilton Garden Inn to honor the room rate of the Holiday. They are located across the street from the Holiday Inn.

See you in Bowling Green in 013.

Summer Getaway to Mackinaw City ~ August 22 – 25, 2013

This is a fun time to get to know everyone. We do lots of socializing between eating, daily ice cream runs and our bonfires on the beach at night.

With all of the Corvettes arriving, downtown Mackinaw City is the place to be Friday night. We usually eat at the Pancake Chef because they can accommodate our large group and they have a very nice buffet dinner. We don't have solid plans for Saturday's dinner yet.

Caravan Details

We will caravan from Clark Corners (Clark Road and Old US 27) at 10:00 a.m., Thursday, breaking for lunch at the Houghton Lake Big Boy. No caravan is planned for Friday at this time.

We are open to suggestions on where to plan a day trip for Friday.

Lodging Details

Most members stay at the Waterfront Inn, an older motel that offers many first floor rooms, some facing the shoreline. The Mackinaw Beach & Bay, next door, is a newer style hotel. Some of our members, traveling with their pets, stay at The Beachcomber Motel. Note the different Website address as it is under different management than the other two motels.

Cost to enter the show is \$25 if pre-registered by August 3; \$35 thereafter. The registration form is available on our Website. Pre-registration packets can be picked up at the Chamber Office at 226 E. Central (next to Scalawags) between 10:00 – 6:00 Friday, or at the show Saturday.

Saturday evening the Corvettes parade through the downtown district and then cross the Mackinac Bridge. Parade participation is free to registered Corvettes; \$5 if taking part in the parade only.

Dear Friends,

We are ready to break ground on the National Corvette Museum's Motorsports Park!

The land has been purchased, the track has been designed, the ground breaking date has been set, and the civil engineering firm is finalizing the construction bid documents. The only pending decision is how much ground we will break.

Many Corvette enthusiasts have already helped us raise funds to bring the Motorsports Park to this point, and we are set to begin the project with an autocross area and skid pad. Will the two-mile west track be part of the initial construction? That depends on you!

We must raise an additional \$1 million by June 1, 2013 to undertake development of the west track. ***As of Monday, April 15 we have raised \$400,000 through our direct mail campaign that many of you may have received. We still need \$600,000 committed!***

Will you help us with this project by making a tax deductible donation to the National Corvette Museum?

Donors committing to an acre (\$15,000) in the Motorsports Park and major donors (\$25,000 or more) will be recognized on the Park's donor wall and invited to our inaugural event. We would love to see you on the wall and at the event. One acre commitments/pledges will be accepted through December 31, 2013 and may be paid over five years.

Can't help us with an entire acre or become a major donor? Donations of all amounts are welcome and certainly add up quickly.

The National Corvette Museum Motorsports Park will provide much needed space for high performance driver education, club rentals, teen driver safety training, manufacturers' testing, emergency vehicle training, and fun automotive events for individuals and groups.

Please show your support for the Motorsports Park by making a tax deductible donation to the National Corvette Museum by June 1, 2013.

NCCC Joins the Motorsports Park One Acre Club

The NCCC was founded as an all volunteer, non-profit organization in 1959 by a small group of Corvette owners and enthusiasts. The purpose of forming the NCCC was, and

still is, to promote interest in Corvette ownership and operation, to publish information on the use and operation of the Corvette and to encourage others to participate in the enjoyment connected with the use and ownership of the Corvette. Today, the NCCC contains approximately 275 Clubs in 16 Regions across the United States, with membership at more than 17,500 individuals.

The National Council of Corvette Clubs has been a supporter of the National Corvette Museum since its inception, with their very own NCM Hall of Fame members, [Joe Pike](#) and [Patrick Dolan](#), having been involved in the original planning and ground breaking event of the museum in 1994. Over the years, several NCCC Presidents have sat on the NCM's

Board of Directors, and many members have served as NCM Ambassadors around the country.

"Since several of our members, clubs, and regions around the US have already joined and are supporting the Motorsports Park, it was only fitting that we step up and support it at the national level," said Douglas McMahan, NCCC National Director of Public Relations. "Adding the Motorsports Park will add a new dimension and opportunity to the museum for all motorsports enthusiasts. We also feel that as a National Corvette organization, NCCC should continue to support the National Corvette Museum along with its efforts around promoting the Corvette, its heritage and development."
