From Our President

Most of the time when we drive our Corvettes, we get to be silly as we celebrate anything and everything. Now and then, though, our drives take on a slightly more serious note.

On September 9th, our dear friend Ed Politza died after a long battle with cancer. He and Suzie had been members of our club for many years. For a while now, though, they only came to events when Ed's health allowed it. We were always thrilled they could make it.

After his funeral, we had the privilege of driving our Corvettes in the procession to the cemetery. Suzie, as strong as ever, led the way. It was a wonderful way to celebrate his life. We were honored to play a small, but special, part in his remembrance.

Ed was a patriot – a career military man, retiring from the Air Force after 25 years of service. He served in both Vietnam and Grenada. We are all aware of our involvement in Vietnam. Few of us, though, know why we were in Grenada.

Grenada is in the West Indies. A leftist group seized power of island in 1979, and suspended its constitution. (I've toured the place where government officials were executed by a firing squad. You can still see the pock marks on the wall made by the bullets.) The U.S. military led an invasion of Grenada in 1983 that resulted in a swift restoration of the pre-revolutionary regime. The date we invaded is still celebrated as Grenada's Thanksgiving Day. Now as you travel through their countryside, you still see large signs painted on the sides of buildings that express love for our country. Signs thanking the United States for helping them. Ed was a part of that help. Because of him and others like him who dedicated their lives to freedom, that pretty spice island is quiet and safe – and a lovely, aromatic place to visit.

Master Sergeant Politza, we will miss you. You truly were an officer and a gentleman. We are honored to have called you "Friend".

Save the wave.

Editor's Notes:

The October issue of *Car and Driver* highlighted a story on the Z06. "Giant Slayer" was the tag line - how the Corvette Z06 kills the super cars dead! The Z06 beat the McLaren 650S at the Virginia International Raceway course 2:44.6 to 2:45.8. Thumbs up for the Z06.

Capital City Corvette Club extends a warm welcome to:

Bob and Deanna Pyle from Mason. Bob and Deanna drive a 1993 ruby red coupe.

Frederick and Marlene Darin from Charlotte. Fred and Marlene drive a dark green 1996 coupe.

Marty and Sue Latchaw from Charlotte. Marty and Sue drive a 1964 green convertible

Drive safely. *Editor*

Donations for 2015

CAPITAL CITY CORVETTE CLUB

The Board has compiled an alphabetical list of local organizations that help members of our community through various programs. Included in this list is a brief description of an organization's purpose, contact information, and the percentage of funding that goes directly to their programs. This does NOT change any of the other organizations and events we have sponsored and will continue to sponsor. At our October membership meeting we will vote, by ballot, for two of the following organizations. We will donate \$250 to each of the top four charities receiving the most votes.

Big Brothers Big Sisters-Michigan Capital Region creates meaningful, monitored matches between adult volunteers and children that improve the children's lives. 76.7% of donations go to programs.

330 Marshall St., Ste. 103, Lansing, MI 48912 (517)372-0160 www.bbbsmcr.org

Elder Law of Michigan provides basic and lifesaving legal services to older adults at no cost through donations from individuals, corporations, and organizations. 2014 Financial Report available on their Website.

2800 W Willow St., Lansing, MI 48917 (517)323-4734 stvcc.org

Toys for Tots was founded in 1947 as a program run by the U.S. Marine Corps Reserve, and donates toys to children whose parents cannot afford to buy gifts for them at Christmas. Until 1979, Marine reservists and volunteers would collect and refurbish used toys. In 1980, only new toys were accepted, as reservists could no longer dedicate drill hours to refurbish toys, as well as legal concerns and the mixed message of giving hand-me-downs as a message of hope. 97.3% of the funds and all toys go to programs.

(517)819-0230 www.lansing-mi.toysfortots.org

United Cerebral Palsy (UCP) of Michigan connects people with various disabilities to the opportunities and resources (including assistive technology devices) needed to live productive and independent lives. 92.6% of donations go to programs.
