From our President

With the start of a new year and a new decade there is tremendous excitement over the introduction of the C8 corvette and the start of production in February 2020. The allure of the C8's styling and performance are intoxicating to even those of us whom have reached retirement age. Car and Driver and Motor Trend magazines rave about the initial testing they have done on the C8 and how it compares to all of the super cars of the world. I know of two of our members who have sold their C7s and have ordered new C8s and I also know of others who are considering the same.

This year we have a number of exciting club events scheduled to enjoy with our friends and corvettes so I look forward to seeing all of you at these events because isn't that why we belong to this great club. By the way this starts the 62nd year of our club. I want to wish all of you a very Happy New Year and hope to see all of you at the January meeting. We lost one of our club members this month and longtime friend of mine in Larry Wight. Our hearts and thoughts go out to Sue and their extended family during this trying time.

Respectfully,

Your President

Bob Maynard
