Volume MMXX – March - Issue 3

From our President

The last two C7 corvettes came down the line on November 20th 2019 at the Bowling Green Assembly plant with one going to the National Corvette Museum and the other to Barrett-Jackson auction for sale. The last Z06 was auctioned off at Barrett-Jackson for an amazing \$2,700,000. The last stingray that went to the Museum was white with red interior just as the first corvette produced in 1953 in Flint, Mi. The history of the corvette is preserved for all of us to enjoy at the National Corvette Museum and I hope each and every member of our club has the opportunity to visit the Museum.

The month of March welcomes in the beginning of spring and taking the corvettes out of storage and back on the road for our enjoyment. Please drive safely and we hope to see you at the March membership meeting. Respectfully,

Your President

Bob Maynard
