# NCCC Convention in Atlantic City, NJ

After completing registration and hotel check-in, we headed to the Hospitality Room. The Hospitality Room was open every afternoon during convention and offered snacks, beverages and a variety of puzzles to put together while visiting with old friends and making new ones. The Corvette Mall was located in the same room so we could check out items for purchase from many vendors.

Sunday night's Welcome Party had great entertainment. Simon and I helped close the party down.

Monday was the People's Choice, Concours and Funkhana, as well as a Tech Talk from Michelin Tires. The National Awards Banquet was held Monday night with the Michigan Region being well represented. In the Men's competition, Rene Cardenas placed #1 with 3,886 points (396 events); and Bruce Wentzel placed #7 with 2,704 points (275 events). In the Ladies competition, Carolyn McLemore placed #1 with 3,563 points (382 events); Mary Wentzel placed #3 with 2,759 points (275 events); and Constance Esposito placed #5 with 1,951 points (215 events). That's a LOT of weekends of competition!

Following the top competitor awards, Mike Godfrey received the Don Hoskins Memorial Award. Next up was the Past Presidents' Award. Recipients of this award are chosen by a committee of three or more former NCCC Presidents. It is given to individuals that "have made a valuable and/or lasting impact on NCCC" at the local, regional or national level. Imagine our shock when Dave Heinemann named Simon and I as this year's recipients!

We had just made our way back to our seats when Dale Samuelson began describing his choice for the Presidents' Award. "The Presidents' Award is presented annually to the member who has made the most outstanding contribution to NCCC for service to all our club members." We heard Dave say that this was only the second time that a member received both the Past Presidents' and the Presidents' Awards in the same year. That sure caught our attention as Simon was named as this year's recipient! The tradition is to fill it with treats from your state for the next years' recipient. Simon later said "Rice Krispies it is!" Dave told us later that the recipients are kept top secret until the presentation at the banquet. They had no idea that they each had chosen Simon.

We went on a bus trip to Cape May on Tuesday and enjoyed a trolley tour and a visit to the Emily Physick Estate. It poured rain during the time we were scheduled walk around Cape May so I grabbed food for Simon and I to eat on the bus. (I was drenched.) High and low speed events also took place, at New Jersey Motorsports Park that day.

We went to the Atlantic City Boardwalk for a scavenger hunt Tuesday evening. Participants received a bag with a map and a list of items to locate. About half of the list had descriptions of items we were looking for and a hint about which store we would find them in. We also had to find items like a candy wrapper, bird feather, sea shell, etc. For the tie breaker, we had to name the make, model and year of some well-known vehicles from TV and the movies. I totally missed that we had to include the year. Bad Gloria!

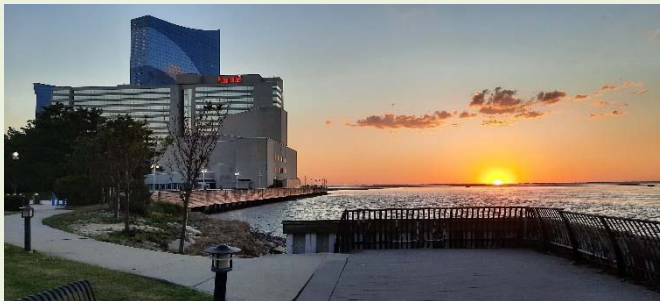

Wednesday included trips to Cape May or Philadelphia, or you could run the road rallye. We chose to hang out at the hotel and relax before the Hawaiian Luau pool party that night. Be sure to check out the pictures on the Website for one taken from our room looking down at the Pool After Dark. It was beautiful all lit up!

A local history tour of Atlantic City, or a bus trip to Tuckerton Seaport & Baymen's Museum, was offered on Thursday. The ferry ride in Tuckerton was cancelled due to a heavy storm that moved in. We had planned to tour the museum but stayed back because of rain. The weather cleared around 11:00 so Simon and I headed to the Boardwalk. He wanted to visit the Steel Pier, but we found out that it is only open at night! We enjoyed lunch at the LandShark Bar & Grill, overlooking the Atlantic Ocean and beach. We then spent time walking/rolling a few miles on the Boardwalk.

Thursday evening was a pajama party and buffet dinner followed by the valve cover races and model car contest.

Following breakfast Friday morning, awards were given for competition events that took place during convention. Simon and I spent the afternoon on the Boardwalk and saw the where the Miss America Pageant used to be held. We spent the evening enjoying the sunset and other views from Harrah's.

This was the 16<sup>th</sup> NCCC convention that we have attended. NCCC Conventions make wonderful vacations! Join us for next year's convention in Bowling Green, KY on June 25-30, 2023.

Members,

As summer arrives, the NCCC season and local events are ramping up. I write this letter coming off of our annual Blessing of the Vettes event and following our celebration of National Corvette Day. Both were very successful and had strong attendance from our club. While we have been fortunate to have better weather for our events this year, unfortunately prices for gas, venues, and food have not come down. In light of this, I want to thank everyone who came out to either attend or work the events! Unfortunately, the costs do not seem to be returning to normal. With this in mind, we will continue to discuss options to reduce the financial burden of attending events as much as possible. There is just a lot out of our control.

Costs this year have forced us to move our annual Autocross to a different location. Instead of remaining local, we have had to relocate to Birch Run Speedway and host both days of the event to keep costs in line with what we think will allow us to still put on a profitable event. I know this makes it more difficult to come out and support, but if you can, we still need workers. There is a lot that goes into getting the venue set up and the event ready to run. Any help will be greatly appreciated even if you can only stay for a few hours in the mornings.

Planning for our annual trip to Mackinaw City for Corvette Crossroads has begun. This will be the weekend of August 27th. Capital City has brought home the Club Attendance Award from this show many times. I would like to see this continue. Please plan to attend if you can. David Voss will be chairing the overall trip and show attendance this year. You can watch our calendar of events page for updated flyer information as it becomes available. David will also be sharing information on the trip during the next two membership meetings and you will have the opportunity to ask him questions directly. Many members have gone over the years. Feel free to ask one of us about our prior experiences. It is always a good time!

Remember to Wave!

- We currently have 17,767 members and 600 just since February. There are 234 clubs and the Corvette Delivery at the Museum has brought in 79 new members.
- Safety concerns were brought up. At a function sponsored by West Coast Corvette Association, a worker was hit by a car and killed. The family is suing and the Association could lose everything and have to fold.
- A National Safety Committee has been formed. There will be no more seated corner workers on the track. All people entering events must sign a waiver, not just the competitors. At all events, please try and have someone stationed at the gate.
- Legacy Insurance is still insuring us but they are not happy with non-members running/working events.

- There are 9 scholarships to be given out this year. Average of \$1,000 each.

Membership Director: Angela Hyde

- The club has 96 members, 2 honorary members, 32 FCOA.

Public Relations Director: Chuck Miller

- We need to get on the same page for the Blessing of the Vettes. Last year there was a person that was unhappy with the way the voting went.
- Sandy Bechtel reported that there were 19 cars registered and there were 12 additional people that voted. We need to make sure that there is only one vote per packet.
- Two people can be registered per car but there is only one vote per vehicle. Spectators are not allowed to vote. This is a sanctioned event.
- The rules will be reviewed to make sure that we are doing this correctly.
- Sign up sheets for the Blessing of the Vettes is on the table.
- I contacted the Lansing State Journal and we may get some publicity for the club.
- I have a group of model Corvettes that were donated to the club. We are selling for \$15 each and the proceeds will go to the club.
