Welcome Our New Members

President's Page

Members,

March is at our front doors. For most of us, this will be the month we start to consider getting our Corvettes out for the driving season. This is your annual reminder that you need to check a few maintenance items before driving. First and foremost for safety, check the date codes on your tires. Anything over 6 years old, no matter the miles, is suspect. If your tires reach 10 years old, they need to be replaced.

The rest are general maintenance items that need to be looked at to ensure one of your early drives does not come to an unexpected early end. You should have had your car on a battery maintainer and a treated tank of gasoline to eliminate any issues there. Move on to checking your belts, hoses, and vacuum lines for any cracks or dry rotting and replace as necessary. Make sure all of your fluids are topped off and check for any new leaks you may not be aware of. The last thing is a personal recommendation of mine. Since gasoline now contains up to 10% ethanol, which absorbs moisture, I like to get the first tank of fuel through my car before driving it aggressively.

Also for this month, I want to brag about the activities of our club. Some of our members may not be aware of how active Capital City Corvette Club is in our community or the impact we are having. I am currently serving the MI Region of NCCC as the Regional Competition Director. Melissa Felts, my wife, is serving on the Nation Board of NCCC as the appointed Director of FCOA. We have 3 members that will receive competition awards at the regional level this year. Year over year we have recently carried around 100 members. Our Governor, Simon Reiffer, was recognized nationally by receiving the President's Award at the 2022 National Convention. While doing all of this, we as a club, also contributed over \$12,000 to our community last year. We have multiple members that represent us at the NCCC National Convention annually as well. Working on our 66th year, we are a strong, active, and generous organization, one you should be proud to be a member of. So get out there in your Capital City shirts and tell other Corvette owners about us. We could do even more with a larger membership.

Remember to Wave!

Membership Meeting Minutes

7:45 New Business:

- NCM Lifetime Membership (6 Passes): There was a lengthy discussion on how best to handout the six passes to club members. In the end, there were four possible ways that were discussed. However, it was decided that we will select three club members at random who have expressed interest in the tickets, and be given two tickets each. A motion was made to approve this method by Kevin Mead, seconded by Mike Britz, and approved by the majority of members in attendance.
 - If one of the winners is unable to use the tickets, they will give them back so that another club member can use them.
 - Each winner will not be eligible for the drawing held during the next year.
 - Tickets are single use and can be used anytime during the period in which they are valid.
- 2023 Regional Banquet – March 30th: Those from the club receiving awards include Kyle Felts, Angela Hyde, and Tim Wells.
- 2024 National Convention – Registration is Open: Sign up as soon as possible in order to attend events you are interested in, as most have a limited number who can participate.
- Sanction Numbers – Birch Run, Blessings, Jackson: Clubs now have 14 sanction numbers (up from 10 previously). We currently have three sanction numbers that are not dedicated to anything. There was a discussion about how to use these including holding a drag race at Onondaga, adding a rallye or funkhana, or a game to the Blessings car show. Simon cautioned that holding a sanctioned drag race has different rules than some of the other competitions, so we need to have a look at the rule book.

7:55 Other Business:

50/50 Drawing

8:00 Adjournment at 7:48.

Motion by Simon Reiffer,
seconded by Mike Britz.

*"All I got was a chocolate bunny and some

Board Meeting Minutes

7:10 New Business:

- Sanction Numbers – How are we using the last 4 (Blessings?): The Jackson club will not require our 3 sanctions. Further discussion took place as how to use these sanctions. It was decided to use them as part of the Blessing of the Vettes. This is to be further discussed with Bob Maynard and Chuck Miller at the earliest opportunity.
- Discussion took place about the open Social Director position. The Social Director position responsibilities were reviewed and discussed. The question was raised do we really need a “Social Director” or can we do social gatherings and such as we are now with volunteers and a by committee approach. Do we need to revisit the bylaws and adjust the Social Directors responsibilities? It was decided to continue to try and fill this open position and have further discussion.
- A discussion took place about a club Photographer. It was agreed that this is a very important position, and we need to find someone to take on this responsibility.
- In the interim Kyle Felts appointed Tom Faupel to act as club photographer with the understanding that this is only a stop gap measure, and that Tom cannot be expected to fill the void left by Stella’s unfortunate need to step down.
- Motion made to approve all appointed officers, as listed above, by Kyle Felts, motion seconded by Simon Reiffer.
- Vote taken and approved by the Board Members present Simon Reiffer, Tom Faupel, James Sutherland, Kyle Felts, Angela Hyde and Kevin Mead.
