The Convention Directors and the Midwest Region invite you to join us in the Wisconsin Dells and Lake Delton area in the beautiful state of Wisconsin for the 66th Annual NCCC Convention August 17–22, 2025. See you there! Online Registration opens on February 1, 2025.

The Scenic Wisconsin Dells and Lake Delton area is an exciting and beautiful resort area to gather for partying as well as sightseeing, driving unique roads and exploring everything the area has to offer. Wisconsin Dells is the Water Park Capital of the World and so much more!

Wisconsin Dells is about an hour north of Madison, WI. There is plenty to see and do in the Dells and even more throughout the surrounding area. The Host Hotel will be The Kalahari Resorts & Convention Center including its Hillside facility conveniently located for all activities just off I-90/94 at Exit 92. The Room Rate at The Kalahari will be \$156.03 including taxes and free parking. There will not be a daily resort fee. Guests will have free entry to the Tom Foolery Amusement Park as well as free use of their Indoor and Outdoor Water Parks. Entertainment, Parties and both Hosted Bus Tours and Self Guided Tours are in the planning stages. Competitive Events are being planned for 2 Rallies, 3 Drags, PC Car Show, Concours d'Elegance, Funkhana, Autocross, High Speed, Scavenger Hunt, Valve Cover Races and Overall Competitor Competitions.

To save travel time, both Speed Events will be run on Tuesday (the 19th) swapping tracks around noon. Planning for the Autocross and High Speed Events is focusing on making it possible to give all competitors 3 (maybe 4) runs.

America's Park of Speed
Elkhart Lake, WI
www.roadamerica.com

Autocross will be run on the Briggs & Stratton 8/10 mile Motorplex shown above and with an X inside the High Speed track shown to the left

High Speed will be run on the 4.1 Mile Racetrack

All Drag events will be held on Thursday (the 21st) at the Rock Falls Raceway just south of Eau Claire, WI. It is a little ways to drive (mostly along I-90 and I-94) but so worth it to drag on an NHRA 1/4 Mile track that is so clean, well maintained and professionally staffed!

President's Page

Members,

April marks the beginning of the driving season and seeing more fun cars on the roads is exciting! This month, we have the highly anticipated Regional Banquet at a newly opened facility in Marshall. During the banquet, Capital City will honor four men and two outstanding women for their contributions and achievements. As you read this, time is running out—there are only a few days left to register for this special event. Join us in the camaraderie and support your fellow club members! Following that, we will host a Food Pantry benefit Car Show, Funkhana, and Rallye in Lansing the next day for 2025 points!

As we prepare for the upcoming season, please stay vigilant against Michigan's unpredictable spring weather. Sudden cold snaps can put your tires at risk, which are a vital connection between your car and the road. Many of us have tires sensitive to freezing temperatures, which can create dangerous situations. Remember, your tires deserve the same care and attention as your engine and paint. While it's easy to focus on aesthetics, that shine can quickly diminish if you lose control of your car because of neglected tires. Keep safety as your top priority and enjoy the ride!

Remember to wave!

- National Meeting Experience:
 - The FCOA check was presented by Kyle2.
 - NCCC has a budget deficit, so we can expect some changes to be made to resolve the shortfall. Things being considered include an increase in dues, publishing Blue Bars electronically, and having at least one virtual meeting per year.
 - It was hoped that adding champions for non-speed events would help increase participation, but there was no increase in the awards budget so that the existing budget would have had to provide awards for both speed and non-speed events. The response was the Governors voted from the floor to double to awards budget to maintain quality of awards.

7:05 Board Reports:

Secretary: Tim Wells

- No additions or corrections were made to the February minutes. Motion to approve: Simon Reiffer, seconded by Stella Wood, and approved by the majority of the membership in attendance.

The Board feels that this venue may be a better location to hold the Christmas Party given that we are outgrowing Coral Gables. Angela will explore changing the Christmas Party to the Eaton Sr. Center. The Board also discussed this as a possible venue for a Regional Awards Banquet, keeping in mind that Shelby is also looking at the Olds Museum.

National Corvette Museum Names David Hill as CEO

Seasoned Automotive Leader Brings Industry Experience and a Passion for America's Sports Car to the Museum's Top Leadership Role

BOWLING GREEN, KY, March 13, 2025 – The National Corvette Museum is pleased to announce David Hill as its new President and Chief Executive Officer. A lifelong Corvette enthusiast with extensive leadership experience, Hill brings the strategic vision needed to lead the Museum into its next chapter while staying true to its mission of preserving and celebrating the legacy of America's Sports Car.

“The Museum’s Board of Directors conducted an in-depth search for a leader who could balance heritage and innovation, ensuring the Museum continues to thrive for future generations of Corvette and Corvette enthusiasts,” explained Kaye Wagner, National Corvette Museum Board Chair. “David’s combination of business acumen, deep-rooted passion for the Corvette legacy, and proven leadership experience made him the perfect choice. We are excited to welcome him to the National Corvette Museum and look forward to his leadership in the years ahead.”

Hill previously served in several CEO and leadership roles in education, energy, manufacturing, and technology, including Mar-k, Logic Energy, Petrosmith, and Kimray. Recognized as one of Oklahoma’s “Most Admired CEOs” by The Journal Record, Oklahoma’s leading business publication, he has led modernization efforts, product expansion, and market growth. Most of all, he is passionate about people and culture, two qualities he believes set an organization apart and that align with the Museum’s commitment to innovation and excellence.

A hands-on Corvette owner, Hill has restored multiple classics, including a 1971 Stingray. His personal favorite is the 1967 Corvette, which he calls, “A beautiful car in so many ways.”

“The National Corvette Museum represents the heart and soul of America’s Sports Car, and I am honored to step into this role as CEO,” remarked Hill. “As someone who has cherished Corvettes for decades, I deeply appreciate the history, innovation, and passion that define this iconic brand. I look forward to partnering with the dedicated team at the Museum to build on its incredible legacy, expand its reach, and foster a high-performance culture of service and innovation for our guests, members, donors, and Corvette enthusiasts.”

Beyond his corporate career, Hill is dedicated to nonprofit leadership, co-founding the Oklahoma City Memorial Marathon to support the National Memorial and Museum. He and his wife also founded a Classical School and are involved in many other philanthropic efforts.

While no relation to the 2006 Corvette Hall of Fame inductee and retired Corvette Chief Engineer of the same name, Hill brings a strong track record of leadership, strategic vision, and a commitment to excellence. He will assume his role on March 17 and relocate to Bowling Green with his wife of 32 years, Shannon. They have six adult children spread across the country and love spending time with them doing just about anything.

With Hill joining the team, 2025 is set to be an exciting year at the National Corvette Museum. Guests can explore our newest exhibition, Speed Captured: The Photographic Works of Richard Prince, a tribute to one of motorsport’s most legendary photographers. Alongside this special showcase, other exhibitions continue to chronicle Corvette’s rich history and legacy as America’s Sports Car. Beyond the Museum galleries, visitors can shop for exclusive Corvette merchandise at the Museum’s Corvette Store, witness new Corvette deliveries on Corvette Boulevard, enjoy lunch at the Stingray Grill, or take on the track at NCM Motorsports Park for an adrenaline-pumping driving experience.

Ken Lingenfelter Joins National Corvette Museum Board as At-Large Member

March 4, 2025

The National Corvette Museum proudly announces that Ken Lingenfelter, a legendary name in Corvette performance and a dedicated Museum supporter, has joined the Museum's Board of Directors as an At-Large Member. With a lifetime dedicated to high-performance automobiles and the Corvette community, Ken's expertise, leadership, and enthusiasm will be invaluable as the Museum continues to innovate and expand its mission.

“Corvette has been a lifelong passion of mine, and I am honored to join the National Corvette Museum Board,” said Ken Lingenfelter. “The Museum is a vital institution that preserves Corvette’s incredible history while inspiring future generations of enthusiasts. I look forward to working alongside this dedicated team to help drive the Museum into an exciting future.”

Ken's love for speed and performance runs deep. The son of a General Motors executive who served as a manager at the Fisher Body Assembly Plant in Euclid, OH, developed an early appreciation for stylish, high-performance cars and purchased his first Corvette in 1977. Over the decades, his passion grew into a world-renowned collection of muscle cars, Corvettes, and exotics. In 2008, Ken acquired Lingenfelter Performance Engineering, founded by his distant cousin John Lingenfelter. Under his leadership, Lingenfelter Performance Engineering has continued to push the boundaries of automotive performance, earning a reputation for innovation and excellence.

Ken's involvement with the Museum spans many years as a member, donor, and exhibitor, with numerous significant Corvettes from his collection on display throughout the Museum's history. Most recently, his 1954 Chevrolet Corvette EX-87 Duntov Mule, an iconic piece of Corvette history, was showcased at the Museum for more than a year.

"Ken's passion for Corvette is unmatched, and his knowledge of performance, innovation, and the enthusiast community will be a tremendous asset to the Museum," said Kaye Wagner, National Corvette Museum Board Chair. "We are thrilled to welcome him to the Board at such an exciting time as we build on the momentum of an incredible 2024 and prepare for an even bigger 2025."

Ken joins the Museum Board during a year of momentum, following a highly successful 2024, which opened new exhibitions including An American Love Affair: Pop Culture and Corvette, and successful events like the National Corvette Caravan. Looking ahead to 2025, the Museum will debut a new exhibition on March 7, Speed Captured: The Photographic Works of Richard Prince featuring the work of legendary Corvette photographer Richard Prince, undertake the preservation of Zora Arkus-Duntov's personal Corvette, unveiling a reimagined Corvette Hall of Fame exhibition, new mission-based STEAM programming in the McMichael Family Education Gallery, and much more.

With Ken's deep-rooted passion, industry expertise, and commitment to the Corvette legacy, his addition to the Board ensures that the National Corvette Museum will continue to inspire, educate, and fuel the love for America's Sports Car for generations to come.

"How rude of me. I've been talking about my Corvette all evening. I haven't given you a chance to talk about it."

"He's my dating coach. Whenever I talk too much about my Corvette, he blows his whistle."

"I thought we would watch 2 hours of me washing and doing maintenance on my Corvette. Who said I wasn't a romantic?"
