Our Sponsor

CCCC Members,

Fall is definitely upon us and hopefully you are still finding plenty of opportunities to get out and enjoy your Corvette. Even though the rain made for a much smaller Shaheen Car Show than we had all hoped for, it was still a successful day and I have had nothing but good feedback from those who attended.

The fall color tour, Sunday Oct 18th, will be here before we know it and I am definitely looking forward to getting out for another cruise. Saturday Oct 24th is our annual Bingo event at Delta River Senior Village and hopefully you can join us for what is always a fun and well received event by the residents.

It is also that time of year for renewing your membership, so if you have not done so already, please get your annual dues to Angela. We will also be continuing to take nominations for next years Officer's. Please consider running for one of the Board positions or think about who you would like to see in one of these positions. Everyone has something to offer and we are always looking for fresh ideas.

Stay safe, and I look forward to seeing all of you soon,

Tom Faupel, President

Primary Member (Renewal as NCCC Lifetime) *	\$30.00	\$500.00	\$530.00

**The NCCC Lifetime Membership fee is a one-time payment of \$550 for new members or \$500 during renewals. Consider choosing a Lifetime Membership if you expect to remain involved with NCCC for at least fourteen years. Lifetime Members may transfer their membership to another NCCC-affiliated club if they relocate or simply wish to change clubs.*

October 2026

Members,

What a month September turned out to be! Starting off with the serious side of NCCC business at the Governors Meeting in St. Louis, where a lot of the conversation centered on making the organization quicker, leaner, and easier to operate. Proposed bylaw changes would allow us to handle more business between our traditional meetings, including reviewing and voting on appropriate matters in a shorter time frame. We also continue to look hard at operating costs and ways to move NCCC toward solvency. That's not exciting dinner conversation, but it is important work. If you want to see more of what actually happens at a Governors Meeting, I have been sharing portions of the meetings through Governor's Garage so members can see the discussions, the people involved, and some of the work happening behind the scenes.

Then came the fun stuff, and wow did September deliver. From Labor Day weekend at Tire Rack to the autocross weekend in Perrysburg, I spent a lot of time watching NCCC do exactly what I think it does best. Experienced competitors were walking courses with newer drivers, answering questions in grid, giving ride-alongs, sharing advice, and passing along decades of experience. At Perrysburg, I grabbed a couple of our newer competitors for Governor's Garage and simply asked them what it was like entering this sport surrounded by that much knowledge. Their answers were a great reminder that while we spend a lot of time talking about membership, recruitment, and the future of NCCC, sometimes the answer is already standing in grid with a helmet in their hand. Give people something fun to do with their Corvette, welcome them, and help them. If you have not been to an NCCC competition event lately, check out some of the action on Governor's Garage. Better yet, come see it for yourself.

And the month certainly was not limited to autocross. September also brought club activities, the Shaheen Chevrolet benefit car show, great conversations with Corvette people, charity, volunteering, and plenty of reminders that this hobby is about far more than trophies and lap times. Governor's Garage has given me an opportunity to put a camera on some of those stories and share a little more of the Corvette club lifestyle with people who may never have seen this side of NCCC before. Competition, community, and charity were all on full display this month, and after bouncing from a Governors Meeting to racetracks, car shows, interviews, and club events, I came away pretty fired up about what I saw. The bylaws, budgets, sanctions, and meetings matter because they help make all of this possible. We came for the cars. We stay for the people.

Remember to Wave,

Kyle Felts

Shaneen CAR SHOW

CAPITAL CITY CORVETTE CLUB

Letter from the EDITOR

CCCC Members,

What an incredible year it has been for our club! Looking back over the past several months, it's amazing to see all that we have accomplished together. From great cruises and car shows to autocross, charity events, and our annual trip to Mackinaw, we've enjoyed outstanding experiences and made lasting memories. The common thread in all of it is our people, a group of enthusiastic members who share a passion for Corvettes and, just as importantly, for the friendships that come with them.

Our club has so much to be proud of. We offer a wide variety of activities throughout the year, including local cruises, destination trips, car shows, autocross, community events, and social gatherings. There truly is something for everyone, whether you enjoy driving, showing your car, meeting new people, or simply being part of a great group of Corvette enthusiasts.

To keep this momentum going, we need our members to step up and get involved. A successful club doesn't happen on its own, it takes volunteers. There are many ways to contribute, big or small. From helping lead a cruise, planning a social event, coordinating a show, assisting with the newsletter, or serving on the board, your time and talents make a difference. Volunteering is a great way to meet more members, share your ideas, and help shape the future of our club.

If you've been thinking about getting more involved, now is a great time. We have a lot of exciting things ahead, and fresh ideas and new faces will help us continue to grow and keep our club vibrant for years to come. Let's build on the success we've had and make next year even better!

Thank you to all of our members for making this such a special club. I look forward to seeing many of you at upcoming events and, hopefully, working alongside some new volunteers soon.
